Yesterday Once More

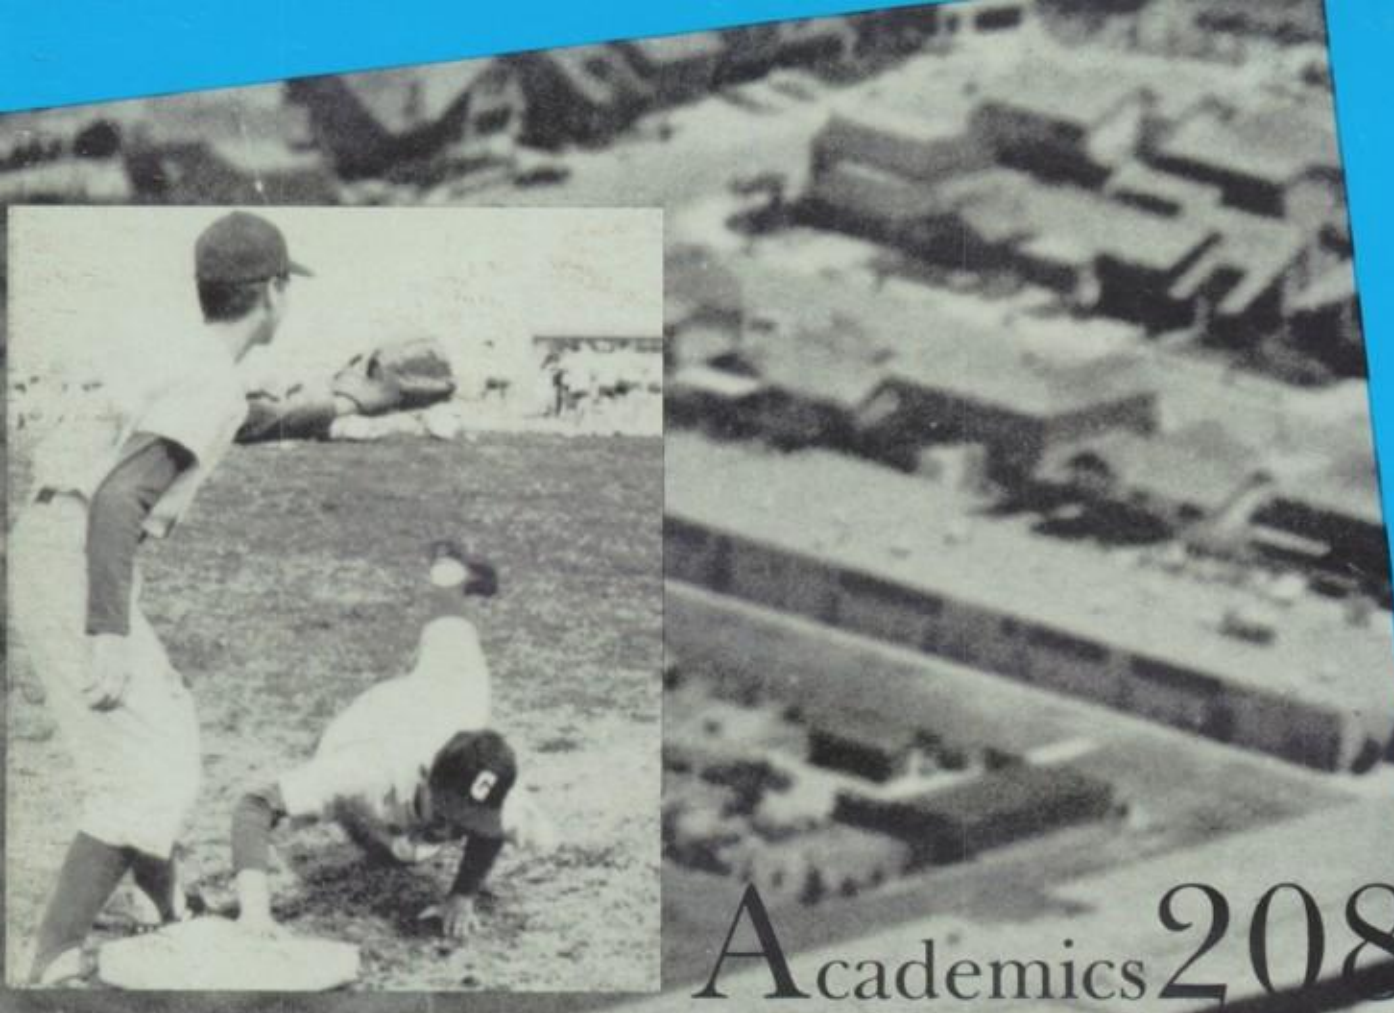

September, 1965 — First bus unloading.

People 132

As Gahr's first 20 years of existence come to an end the Annual Staff would like to devote a small portion of this year's yearbook to reflect upon the past. The administration and campus of Richard Gahr High have altered greatly but there are still some familiarities of GAHR 20 YEARS AGO.

Our aim for the 1985-86 Yearbook was to capture the moments of this year and also recapture some of the past, creating ... yesterday once more.

Though the times are constantly changing, the hearts of the people will always remain the same. Whether the Prom is held at the Hyatt Regency or in Gahr's own gym, the excitement and anticipation of the event remains unchanged. Though situations are constantly shifting, the spirit and excitement of today is still felt as it was 20 years ago, creating . . . Yesterday once more.

Gahr High, through its 20 years of existence, has undergone many exciting changes. Not only has the campus itself taken on a new look, so has the entire student body. Though the fair complexions and blond heads still exist they are now by far the minority. The dairy farmers no longer take precedence in Gahr's surrounding community. Many more Asians, Blacks and Mexicans are seen, giving the high school a well-rounded and balanced appearance. These many ethnical groups blend together to form a very special assembly of people. Just as the pages of our book are not solely one color as they were in 1966, neither is the ethnic ratio. The differences now form a brilliant mixture!

“**G**et High on Yourself” was a fantastic assembly which was held in Gahr’s gym on October 17, 1985. This assembly was to show the students that it’s OK to say “No” to drugs and that kids and adults can be somebody just by being themselves. It was a way to make the students aware of themselves and to have self confidence.

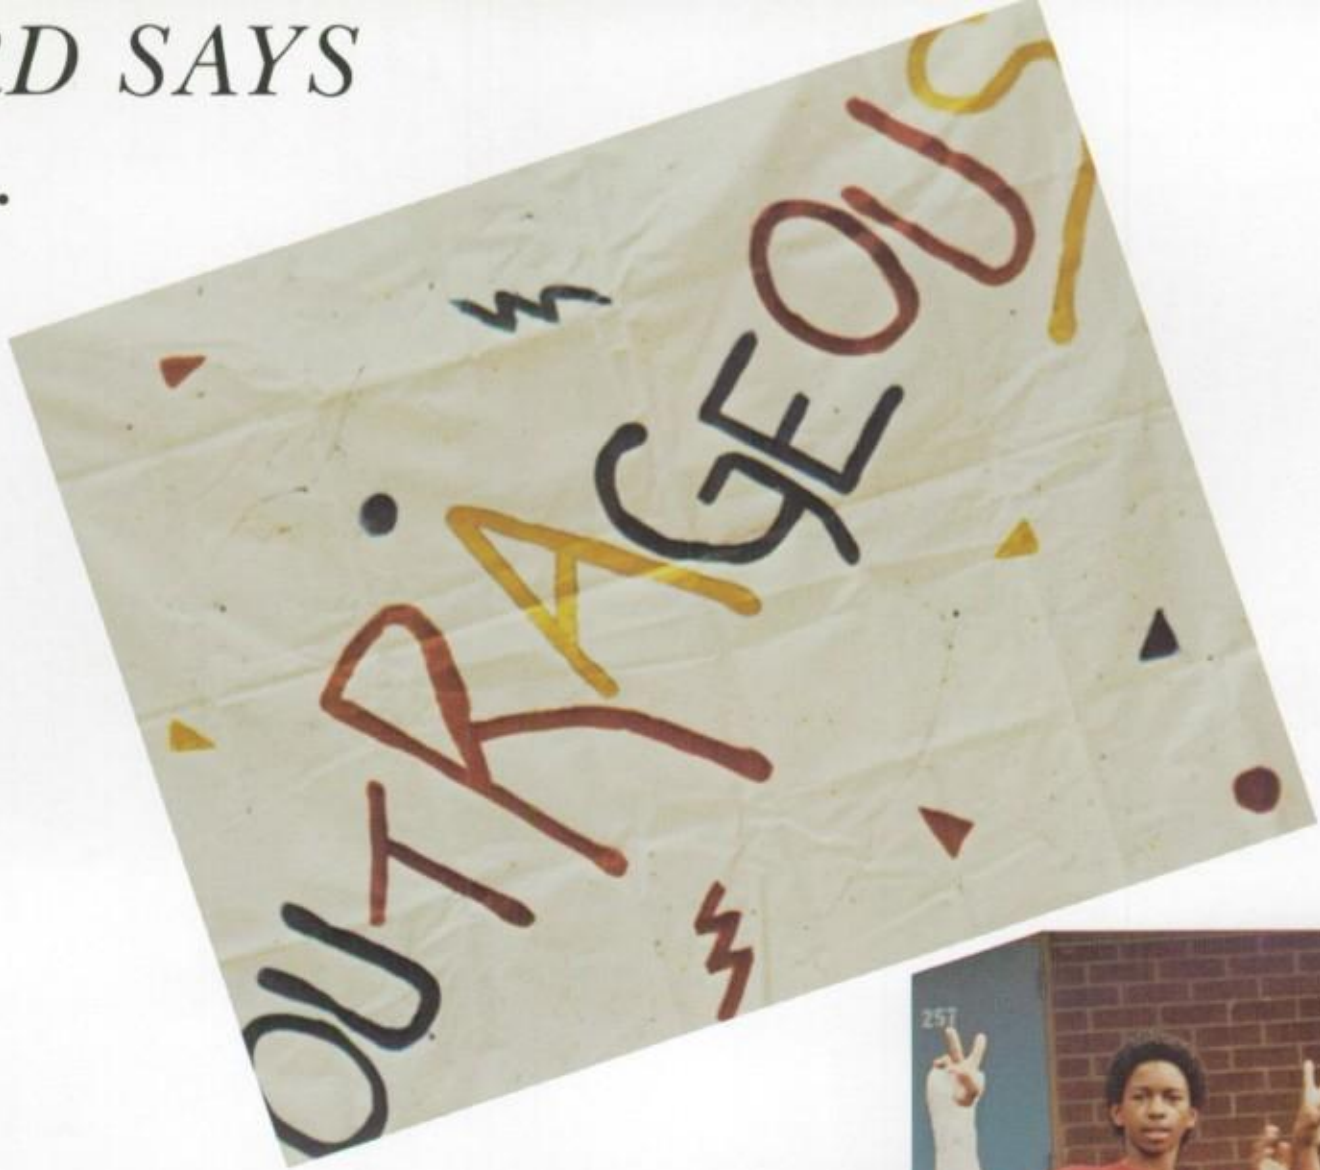

There was approximately 200 students who participated in this one day event. The young enthusiastic crowd was chosen randomly. The assembly consisted of various fun and enjoyable events which related to the theme “Get High on Yourself”. They danced, wrote caring letters, and met new people.

The long day came to an end and the crowd had become much closer to each other. As a result of this assembly, not just the 200 students but the whole Gahr student body had become one big family.

This year's big picnic lunch was held on Oct. 4, 1985 and had a great turnout! There were many spirited Glads out there relaxing and dancing. The music was provided by our own A.S.B. and we do want to thank them for their highly entertaining sounds. One of the most challenging activities at the picnic was the competition for the "Spirit Bell". It was a hard decision, but the class of "87" won. Congratulations!!

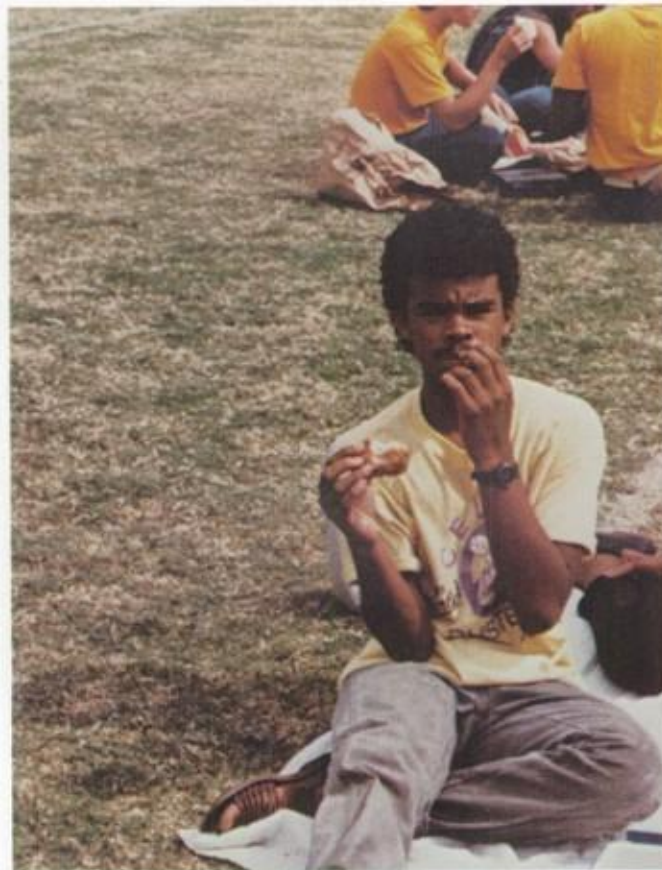

Chris Cox and Jeff Byrnes are still "Hanging Loose" even at school!

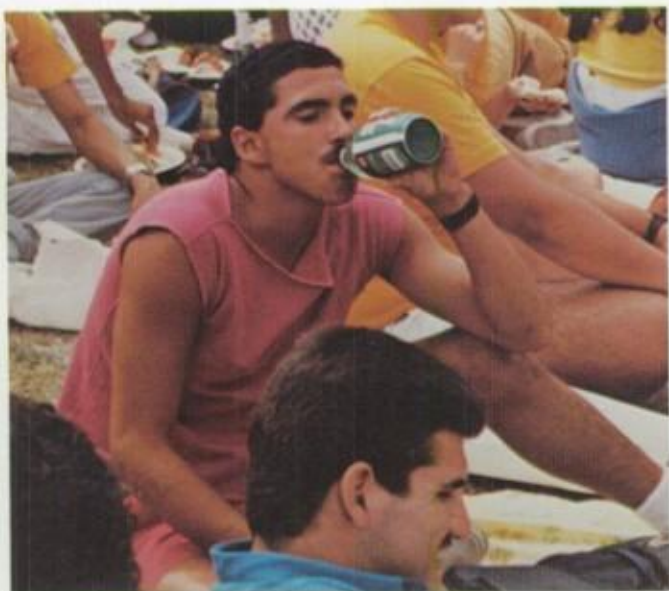

Sheri and Wendy are glad that they're at the picnic.

Brian Cobb isn't sure what he just put in his mouth.

ASB Cabinet Ends the Year With Style

What a year! The 85-86 school year proved to be full of excitement and challenges for the ASB cabinet. The year started off with the "Get High on Yourself" program which enabled a number of students to get to know themselves better. The year was also filled with rallies where the Gladiators expressed their spirit and their true pride. Working with **Mr. Ware**, the advisor, the cabinet planned activities involving the student body. They also provided activities which aided the community, such as the Superdance and the Blood Drive. The organized cabinet worked hard together as one and successfully made the year spectacular!

'86 Soars To New Heights

That's right! "There is no substitute, for the Class '86." As usual, the Senior officers began early to make this year the best for their class. They started the year off with a Senior Bar-B-Q and the very successful T-shirt sale. Throughout the year, they organized many fundraisers such as the candy sales, carnation sale, and the carnival. They also held many fun activities such as Century Day, Senior Madness, Grad Night and the Senior Luncheon. For the Senior Cabinet this was a year they could have much pride in.

The Class of '87 did an outstanding job this year in filling the 85-86 school year with many unforgettable moments. By reaching goals that this Junior Class set out to accomplish, they not only raised class spirit but also school spirit. Some of the many activities that the Class of '87 provided us with were an after-game dance, a painter's cap sale, the car washes, & Sadie Hawkins. A spectacular prom was the result of all the hard work and effort put in by the Class of '87.

Supporting the class was the '87 cabinet including: **Cathy Plucinski**, **Shelia Pavon**, **Jo-Jo Refuerzo**, **Angela Januszka**, **Audrey Perry**, **Jim Carrillo**, **Tami Mistretta**, **Neil Tomenang**, and **Linda Crowser**.

Pep Squad '85-'86

Behind the Spirit

This 1985-86 Pep Squad, with the help of Mrs. Graham, their coach, showed their spirit at all the games and pep rallies. Jumping in the air and showing their "pearly whites", they always cheered our team on to victory! Our pep squad was instantly spotted at every game because they were the most spirited around. They never let us down, spending

hours practicing and always coming through with the perfect cheer! This year the squad not only consisted of pretty girls in colorful uniforms. To add a touch of pizzazz to the group there were three boys added. Much of the enthusiasm in the stands relied on the squad to do a good job, which they always did!

The attack plan of the Gladiators was led by the running abilities of **Frank Beckton**, **Travonn Johnson**, and the wonderous quarterbacking of **Keith Harrison**. The Homecoming Game '85 will live lively in the hearts of all Gladiators forever!

A Classic Half-Time

The theme for this gala event was the roaring twenties. Many old friends arrived to spread alumni cheer. **Melanie Sotomayor**, the 84-85 Homecoming Queen, came to crown this years queen, **Claudine Carman**. Her heart-felt words were, "Thank you for making my dream come true . . . I love you all!!" After the announcements they turned off the lights for the fireworks. It was a beautiful sight to see! To top off this spectacular night, Gahr was victorious with a score of 37 to 6!

Activities . . .

The Fun Behind The Scenes

Masses of screaming students stream into the gym searching for friends and places to sit among the crowded stands. The band begins to play a round of "Wipe Out" as the cheerleaders dance with enthusiasm. Rally procedures continue with an introduction of the current sports' teams and class competition. Freshmen, Sophomores, Juniors, and Seniors — all get rowdy in order to win the spirit bell. 20 years ago, male and female cheerleaders led the show as the gym, only much smaller then, filled with energetic students. There was no spirit bell to compete for, yet each class fought to out roar the others. Although many activities have been enhanced with the addition of years to Gahr's history, the spirit of the Gladiator has been, and will continue to shine strong.

Rallies . . . The Gladiator Way!

We had a number of changes with our rallies this year. In addition to all the exciting activities that we traditionally had, we started having **The Spirit Contest**. This contest involves all four classes competing against each other to see which is the loudest and most spirited. Then when all the fun and games are over after the rally, the most spirited wins possession of the **Spirit Bell**. The winner has the privilege of keeping the bell until the next assembly where they can either win it again or pass it on to another class. Ever since this plan went into action, the students always give it their all to make our rallies loud and exciting, which is the Gladiator way.

Everyone is all pepped up for the rally!

It was March 7th and only one hundred more days 'till graduation. The celebration started with the picnic & everyone rocking to the beat of the music. Various games went on during the day, such as volleyball, the mattress race, the beach ball pass, the Dr. Pepper

— drinking contest, & many others. The day ended with the water balloon fight which splashed the Seniors with fun & laughter! Century Day gave the Seniors a chance to get together to create memories which will be cherished forever!

Winter Formal "86"

For most couples the "Winter Wonderland" Winter Formal held at the Disneyland Hotel on January 11, 1986 was a dream come true. The couples danced to the music of Pro-Production. They also had a chance to have a romantic walk on the balcony and enjoy the beautiful scenery. The couples had a great time.

Many couples are already looking forward to next year. This year was Gahr's first formally held Christmas Dance. It was organized by the class of "88" (the sophomores) it proved to be a great success. Hopefully this will be the start of something big and we hope this will continue for many years to come.

Compassion Shown through Blood Drive

This year Mr. Ware and the ASB Cabinet were able to organize the Annual Blood Drive at Gahr. With having only one week to set up this event, everything went smoothly. The age limit was 17, so mostly Seniors participated in this life saving activity. ASB said "Our goal was 90 pints" but with an overwhelming participation, 110 pints were donated.

The Canned Food Drive is a school participation activity. Over 6,700 pounds were collected this year. The classroom that collected the most cans was Mr. Baca Jr. Homeroom class who, by themselves, brought in 1,969 pounds of food. All the food that was collected was enough to feed 32 families, making their Thanksgiving very special. Knowing that we put smiles on peoples faces made Gahr students and teachers smile too.

“Dance” For MDA

This year's Super Dance '86 was at Knotts Berry Farm's Cloud 9. Five different schools participated in this gala event, which included Whitney, Tracy, Cerritos, Artesia and, of course, Gahr. There were many fun things that happened, such as a Toga party (for which they played the old time hit “You Make Me Want to Shout” by Otis Day and the Nights). There was also a very fun “how low can you go” limbo/game for which they played the song from “Pee-Wee's Big Adventure,” “Tequilla.” The participants had to be in the Cloud 9 ballroom or at least near it at all times. Although everyone was having a great time they were also thinking about all the many people they would be helping.

Powder Puff 86!!!!!!

How about this for a change . . . girls play football and guys are the cheerleaders. Of course, you know we're talking about Powder Puff Football. Powder Puff is for everyone, boys and girls alike. This year **Coach Walsh** and **Coach Orr** were in charge. Powder Puff was played a little differently also. This year instead of the traditional Sr./Soph. against Jr./Frosh, they played Senior against Sophomores & Juniors against Freshmen. The girls practiced for three afternoons on February 3-6 after school. On

February 7, starting at 6 am the two big games were played. The first game pitted Juniors vs. Freshmen. Though the game was close the Juniors came out on top with a 12 to 8 'score.' The second game was the Seniors against the Sophomores in which the Seniors won with a 8 point lead, score 8-0. The games went very well and great sportsmanship was shown between the 4 teams. Powder Puff has proved to be an enjoyable and crazy time for all its' participants and spectators.

DOUBLE TROUBLE

Once in a while it's fun to dress up as a twin with your best friend or boy/girl friend. For the enjoyment of the students, an official "TWIN DAY" was organized. Many students seized this opportunity to show their spirit and pride, and dressed up in matching outfits. Not only did couples participate, some joined together as a foursome and made it twice as fun!

This event took place on the third Tuesday in January, a warm and sunny day. Many students participated and helped to make this activity a great success!!!

Foreign Exchange Student Experiences Life in the USA

"Everyone likes to have a friend from another country," said Wilber Evers, the young boy from Holland with gorgeous blue eyes. Will, at 19, came to the U.S. to spend a year in an American High School. Will enrolled as a Senior and became extremely involved in the spirit of '86. He was an active part of student government by working with the Senior Cabinet & Advisory Council.

The students at Gahr drew Will in and made him feel welcomed, as well as accepted. "In the first few months, everything was new and people just looked at me. Now, I'm just like everyone else — I fit in!," Will stated. Will had a memorable stay in the U.S.. He hopes to return soon, but for now, "I wish you all good luck & TOT ZIENS (good-bye)!!"

Water Polo Strives for Excellence

They have been called the best Communist allies in the world. It is the Cuban Olympic team that and the United States took the silver medal. It is a sport which requires strength and strategy. Last year was the team's first season and the team did well, though easily disappointed.

ed. During the summer, the team put in a grueling 14-hour a day schedule for six weeks. The team is coached by Mr. Kumbhani who believes strongly in the team concept and in good sportsmanship. Their hard work has paid off in solid victories against Western Bell Gardens, Santa Fe, and La Sierra High Schools. Their toughest opponent was ahead of them, Orosi High School.

Tennis team ready for action

by Cindy Shugart
Gale's Girls Tennis team is really shaping up. With a fantastic record for practice time with the Varsity team and coach Mrs. Bergeson, is excitedly looking forward to the upcoming season. This athletic and promising Division of Gale's Inter-Scholastic sports has many versatile players who play both singles and doubles comfortably and successfully. However, as it stands, the singles players are Elmer Ives, Cindy Brennan, and Susan Holman. The doubles teams, which have advanced the singles, the doubles and the competition, are as follows: Carmen Fiorucci & Norma Tomlinson, Tracy Stirling & Cindy Shugart, and Libby Lopez & Carmen San Antonio. Alternative players, also very important to the Gale team, are Minh Trang Dinh and...

Gabe has ever had! Most of these are newcomers who have pleasantly surprised us with their technical and tactical as well as their natural ability and by their positive spirit. The line-up to include Jennifer De la Cruz, Christina Fontana, and the Chinese, for the doubles team, we are given Gina Miranda, Karen Ma, Dorcas Chao, and Margarita de Leon, and Sue Kim & Leah Uyeda. They alternates for this line group of players are Ann Tang and Monica Aguirre. They are coached by a new addition to the Gabe athletic family, Mrs. Linares.

This year's women's tennis certainly is fun, being very spirited. I'm really enjoying the camaraderie of the team. The new JV coach, Mrs. Sanchez, is excited about the team, especially their enthusiasm to get out and work.

A Story of Success

AHR GLADIATORS FOOTBALL 1985

Feet pounding turf, grimacing expressions, musclebound limbs arching towards a goal . . . this is the vision of victory. It's not easy to become a winner. It takes hard work, patience, and practice. Most of all, in order to win, there must be a team. The **real** winning team will be that with spirit and pride, that which shows good sportsmanship, and that which supports its members like a family.

Gahr athletes have proven that these things are all possible with good determination. Our teams represent our entire school, and through the fighting, the victories, and even the defeats, the bond of unity that has formed among the student body has strengthened the total character of Gahr High.

Cross Country Competes in S.G.V. League Finals

This year, the cross-country team placed 4th in league finals but was a team to reflect on. Coach Busch who heads these young athletes felt the team was "mediocre at best," winning 3 and losing 3, but felt that the team would place well next year. In between meets, these talented young

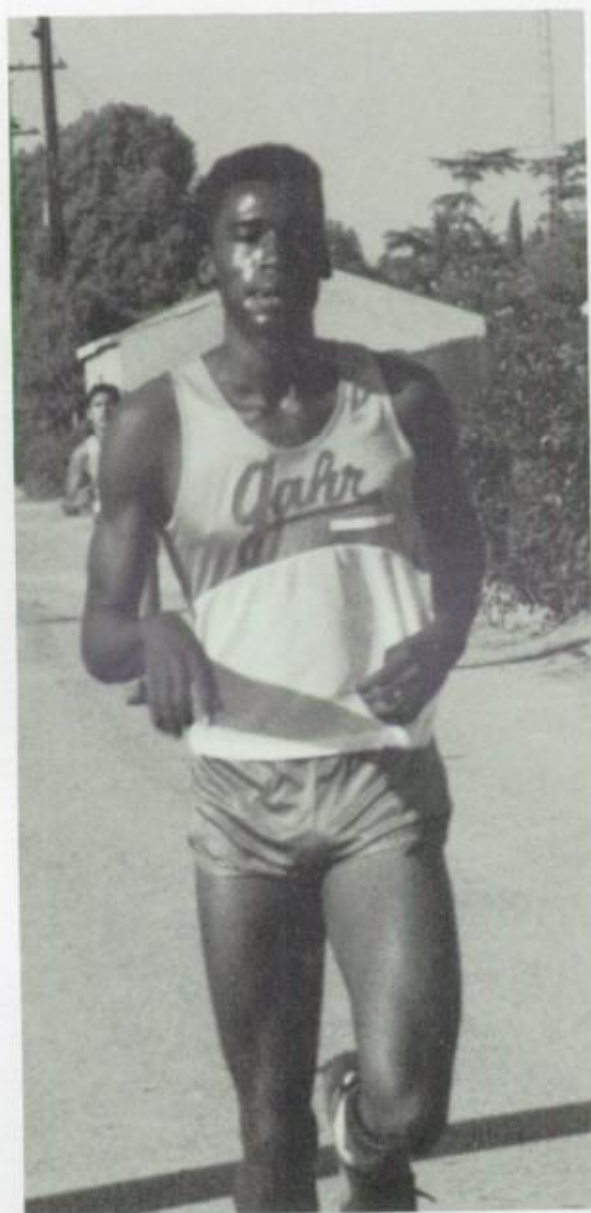

athletes practice by running distances in excess of 10 miles and speed runs to keep them at their peak. With the leadership of Coach Busch and the dedication of these athletes, the team should do very well in the future years to come and if they come in 1st or 2nd next year, it will be no surprise.

"Their improvement was shown throughout the season," Coach Busch said. "This was a very enthusiastic team, and it seemed to bode well for the future." The team was led by Joe Carraway, Scott Reutter and Enrique Villegas. The most outstanding team effort came in a sweep over Lynwood, a total 3 level

sweep of Varsity, J.V., and Frosh-Soph. This year was a year of rebuilding with the future looking bright for these young men. They seemed to enjoy the season and most are looking forward to next year. The three victories were led by **Joe Carraway, Scott Reutter, and Enrique Villegas.**

as individuals." Their attitudes were excellent, as was shown by their improvement in performance throughout the year. Leading the team to victory were **Kate Robertson** and **Diane Van Geest**. The teams success lied in the factors of the team their dedication and perseverance in running.

Varsity Basketball Had High Hopes

Rolling along from a well played pre-season start and winning the Summer League, the Varsity Basketball team consisted of many returning lettermen and had high hopes in making it to C.I.F. again. The team had lots of experienced and well-coached players. Even with the hard work and dedication the team ended the season with a record of 4 wins and 8 losses. In spite of this record the players showed their pride by never giving up till the end. With this experience the returning players will take our team to C.I.F. next year.

J.V. Basketball Finishes At the Top —

The boys J.V. basketball team of 1986 gave a new meaning to the word work. It was a young, hard working team who gave many outstanding performances throughout the season. The team ended the season with a 16-6 record. The most valuable player was **Ken Humphrey** who lead the team to a second-place finish in the league. **Coach Erickson** stated "It was the most exciting, enjoyable season that I have coached in 13 years. Their enthusiasm and abilities will make for a great Varsity team in 86-87."

Fantastic performances by **Eric Walters**, who was quoted to be the strong strongest person in the school (pound for pound) by **Coach Cheek**. The Varsity team was a very talented team filled with determination. The team withheld the Gahr winning tradition by placing

fourth in league with record of 3 wins and loses. The seniors on the team, who were **Maurice Miller, Mike DeSanctis, Vince Romano, Scott Piper, Steve Danjou, and Eddie Tuccio** were a very active in sports Gahr. J.V. Wrestling Pins Them Down

The Gladiator Junior Varsity Wrestling team of the 1985-'86 season was a very talented team. They were a young team consisting of mostly students from the Classes of '88 and '89. The main goal of this J.V. team was to prepare these young wrestlers for competition at the Varsity

level. This goal was accomplished by fantastic wrestling by all on the J.V. team. It will be very interesting to see these wrestlers competing as Juniors and Sophomores at the Varsity level. The Gladiators are very proud of the Junior Varsity Wrestling team.

A Tremendous Season for the Gladiators.

The Junior Varsity Girls Basketball team has had a fantastic season this year. The excellence of this team lied within the defense. In three games against Paramount, Cerritos, and Dominguez the Gahr defense allowed an accumulative total of only twenty points, including a shutout against Dominguez. The captain of the team, **Michelle Larity**, says that the success of the team was accomplished by their

pressure defense. This type of defense causes many turnovers of the ball. She also said that **Coach Riphagen** is "a great coach."

Against the three teams previously mentioned, the Gladiators scored a total of 161 points.

So as one can see, with their awesome defense, offense and a terrific coach it is no wonder that Gahr had a superb record of 17 wins, 3 losses.

Varsity Soccer Scores Again

The '86 Boys Varsity Soccer team began the season with class, style, and effort. They started 6 sophomores and 1 freshman. They had only 6 wins out of 21 games but never the less, continued with drive and determination. **Coach Misner** stated, "This is a building team for the future." He expects next year's team to excell in a greater way and continually strive towards athletic perfection. **Leonard Hayes** lead the team by scoring the greatest number of goals. **Frank De La Trinidad**, **Art Pulido**,

and **Miguel Vargas** played the best overall games. They were all conscientious and aggressive players from start to finish. The toughest game of the season was played against Los Alamitos, with Gahr's victory 2-1. Another highly competitive game was against Cerritos high ending unfortunately in their favor, 1-0.

Next year looks even brighter for the Varsity Soccer team and these young athletes. Their improvement will surely show in team effort and unity.

Varsity Tennis Strikes Again

The Varsity Tennis Team had an excellent season this year as they have had in their previous years. In their pre-season matches, they had an unequaled start winning all matches except one.

The team is headed by **Coach Van Smaalen** who's brilliant leadership and comandeering had inspired their sense of pride and well being as a team. Their season rolled smoothly and efficiently as they

played crosstown rivals Cerritos and Downey and their optimism to win never faded. Qualifying for CIF was no problem for this group of talented and experienced players especially with athletes like **Neil Tomaneng** and **Gerry Yoshida** leading the way towards victory and it won't be a surprise if they clinch first place in their league for the second consecutive years.

Boy's J.V. Tennis Dominates the Court

The J.V. tennis team is back for another successful season, and this year, it was a team to be respected and feared. The team is headed by Coach Mel Lew who's excellent leadership made the team confident and self assured. With returning players like Danny Garcia & Warren Lau, this was a team that

was very difficult to beat. In their pre-season matches, they were undefeated and more of the same occurred as the season progressed. Their willingness to learn and eagerness to play created this remarkable team and nobody stood in their way toward victory!

"Is this how I'm supposed to hit it?" asks Kevin Chang.

Jimmy Huang shows the way it's done with his kick-serve.

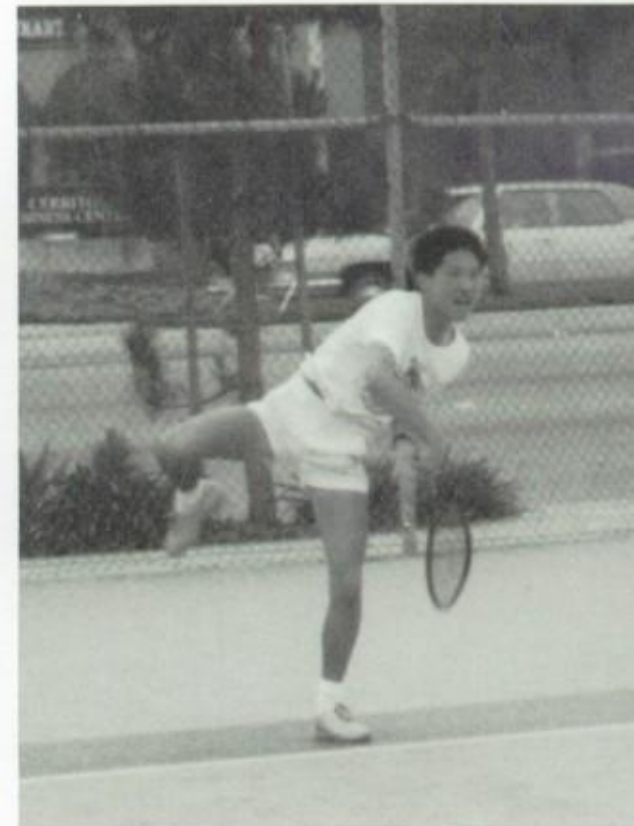

Warren Lau smashes an overhead and leaves no doubt as to who is the dominant player!

"Come on, go long and left!" exclaims Jefferson Sung.

Varsity Baseball Always at the Top

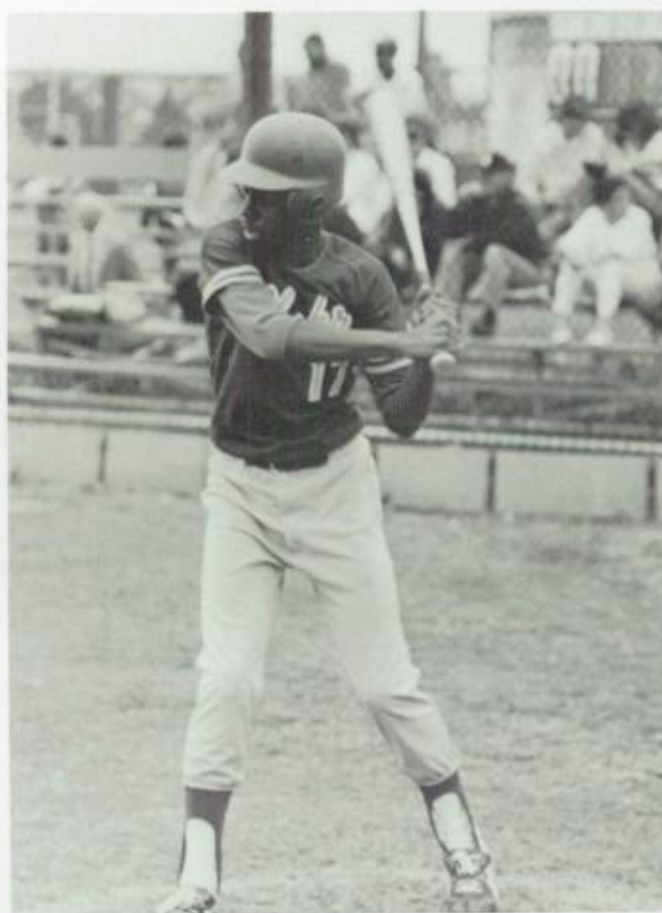

This year the Varsity Baseball team is expected to go all the way to the top. Gahr's Baseball team has traditionally been one of the best teams in C.I.F. Coach Bergeron and Asst. coach Busch are working the team hard day in and day out. The

team consists of many talented players. This year's team has a balance of strong hitting and excellent pitching with a very sound defense. With all this experience and talent, Gahr's Varsity Baseball team should finish the year up at the top again!

J.V. Baseball Down Town Again

This year's J.V. baseball team consists of many young enthusiastic, athletic, hard-nosed baseball players. As of March 12, the team was 3-2. The team captain is **Sergio Cabrera**. The nine starters for Coach Okimoto's team were, **Mike Nieto, Mike Aikers, Art Garcia, Joe Oropeza, John Barkus, Anthony Brown, and Merle Selph**. This hard working team practices at

least two hours a day after school. During their practices they condition a great deal of time. Spending lots of time going through double play drills, hitting situations, and running situations, etc . . . One of Coach Okimoto's favorite drills of practice is running greens, greens, and more greens. Many think this is a strong team for next year.

Under the leadership of team captains **Fred Redaja**, and **Mark Charbonet**, **Freddie** a terrifying pitcher and outstanding third baseman. **Jose "Cain" Gamez** another terrific pitcher is doing the job wonderfully. The team is undoubtedly on their way to many, many victories. This young team consists of **Robby Carman**, **Kevin Stafford**, **Lance Binushka**, **Terry Kemp**, **Brian Boos**, **Purvis Cowens**, **Dale Kirata**, **Steve Brinkly**, **Jeff Almon**, **Brett Munson**, and **Greg Bergeron**.

Varsity Softball . . . Undefeated Again!

Anxious to bring the Championship back home, the girl's Varsity Softball team set out for a year of accomplishments. The team has been very competitive and outgoing this year. Thanks to the

great coaching of **Coach Kline**, they were capable of coming from behind and into victory. In short, we have a good energetic group that should move up to #1!

Team Members: **DeDe Weiman**, **Terri Smith**, **Mitsy Kenyon**, **Kelly Inoyue**, **Memo Griffin**, **Alicia Humenik**, **Gina DiCorpo**, **Sandy Barberie**, **Sandi Gannon**, **Sabrina Hernandez**, **Doreen Lopes**, **Amy McKinney**, and **Kathy Coleman**.

J.V. Softball at Its' Best!

This years J.V. Softball team is a very fine and dedicated team. The team shows sportsmanship and are very competitive during games. Many of the Sophomore and Junior players are expected to move up to the varsity team next year. They will undoubtedly add strength to the team.

They are starting off the league this year with style. They are 3-0 as of March 1986. Sally Dugas says

they hope they go all the way this year. The team consists of many freshman and also many sophomores. They are practicing everyday during 6th period, and extra practice after school. This strong team practices anywhere from 1 to 2½ hours each day. They go over game situations, fielding techniques, Batting practice, pitching, and lots of running.

Anna Campos gets some last second advice.

Boy's Track & Field Striving To Be #1!

Gahr's Track and Field, headed by **Coach Walsh**, did their best to be at the top of the ranking. With speedsters like **Travonn Johnson** & **Ben Gray** helping the team, they did excellent. It was plain to see

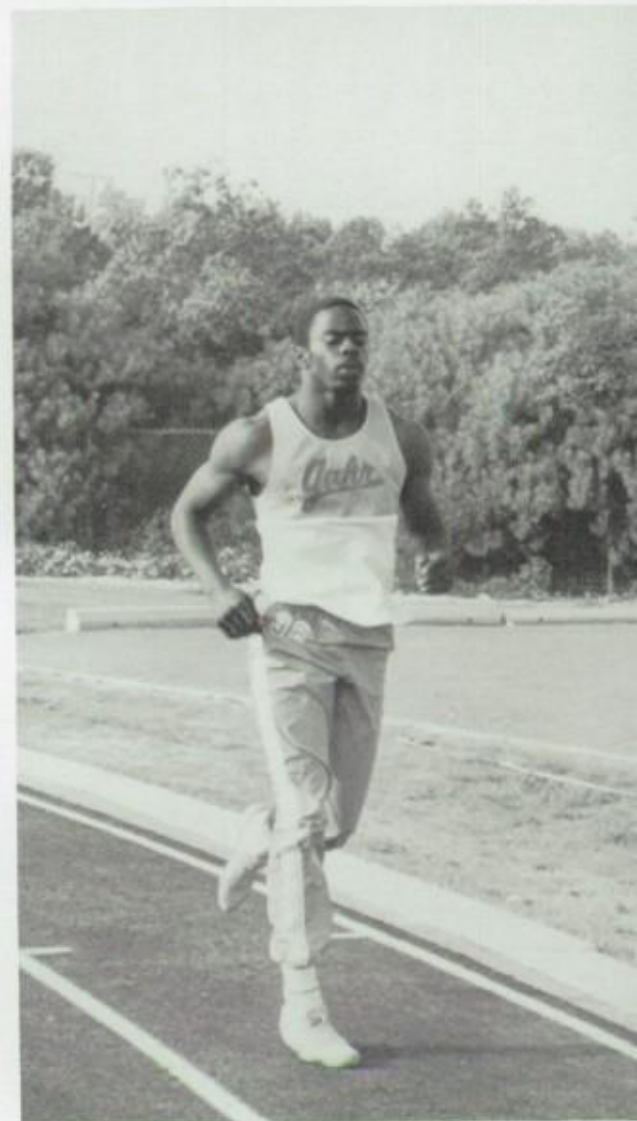

that **Coach Walsh** and his staff had worked the team to where they were close to perfect. With self confidence at their peak, 1986 Boy's Track & Field gave it their all to have another winning season!

Gladiators On The Run

Girls track was very successful this year. Coach Walsh worked the girls hard to build their endurance, improve their time, and generally strive to become a team with a lot of depth. Although the team was put through long and hard practices it paid off in the meets. The girls upheld his standards and were a lasting example on some of the talent evident at Gahr.

Varsity Swim Team

Makes a Huge Tidal Wave!

Coach Fujimoto's swimmers have done it again. They have had another winning season. This team has won through team effort, and not just a couple of individuals.

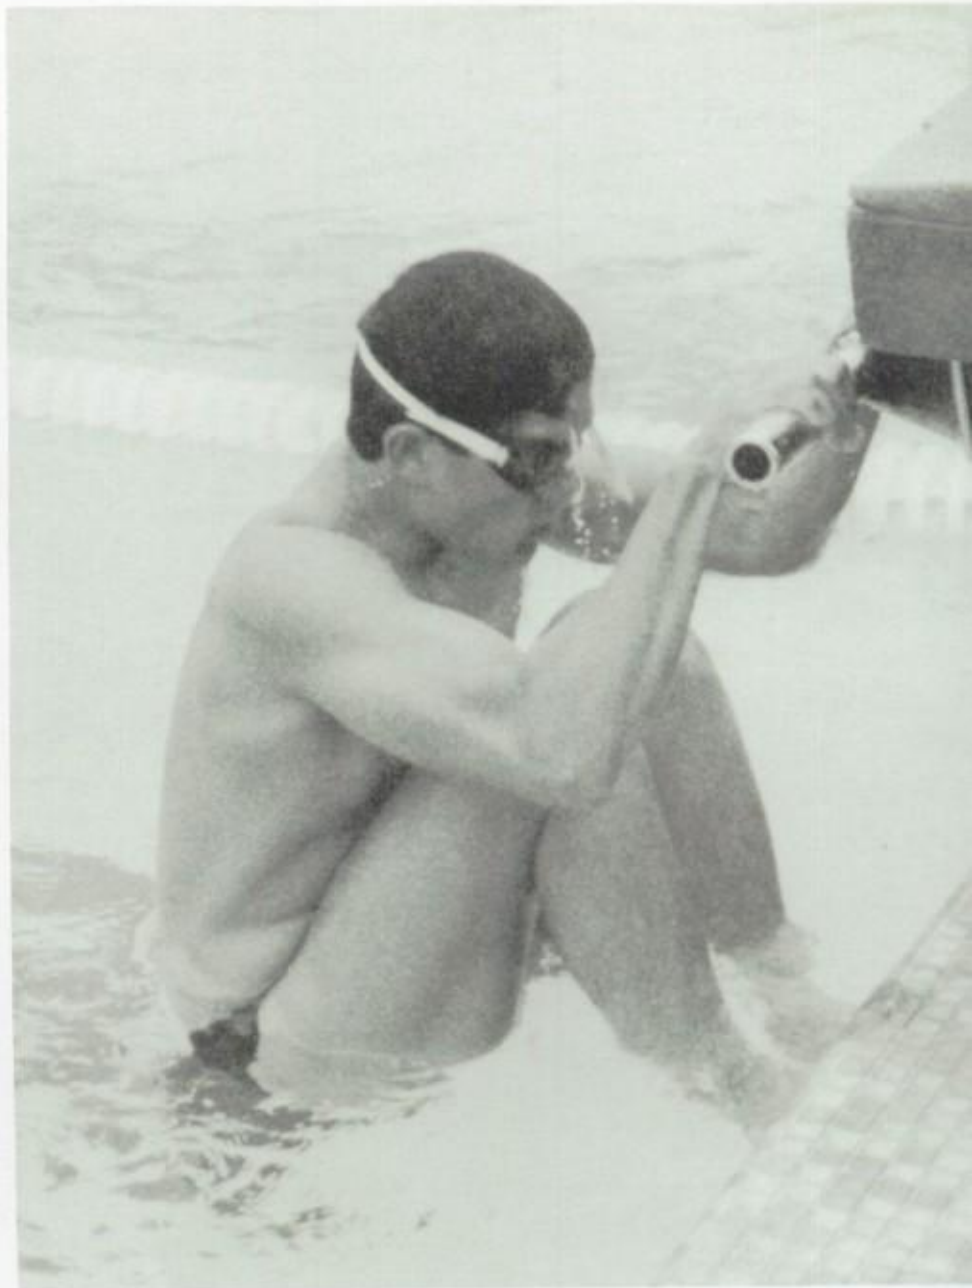

Coach Fujimoto has mentioned that this year's team was the most equally balanced team he has had in quite awhile. He expected four things of his swim team: that they were to be dedicated, do well in academics, have good behavior, and give 100% of their effort.

Coach Fujimoto's big plans were to be #1 in the San Gabriel Valley League, and to continue their long

consecutive winning streak. The captains of this team were Seniors, **Alfie Reyes**, **John Riddle** and **Dan Dyer**, who have all been swimming for four years. They have a lot of dedication to the sport.

One can plainly see that with dedicated swimmers, team effort, and a great coach like **Mr. Fujimoto**, there was no way that Gahr could lose.

Members: Clifford Abney, Jeff Alexen, Geoff Baker, Robert Cottrel, Andrew Crumpley, Daniel Dyer, Mike Nixon, Al Reyes, Mike Reyes, John Riddle, Howard Robinson, Rick Salter, and Brian Scarlett.

The J.V. Swim Team, coached by **Ron Parks**, had a lot of dedication. Unfortunately, they didn't have a great season. They lost their first two meets to Rowland and Mater Dei,

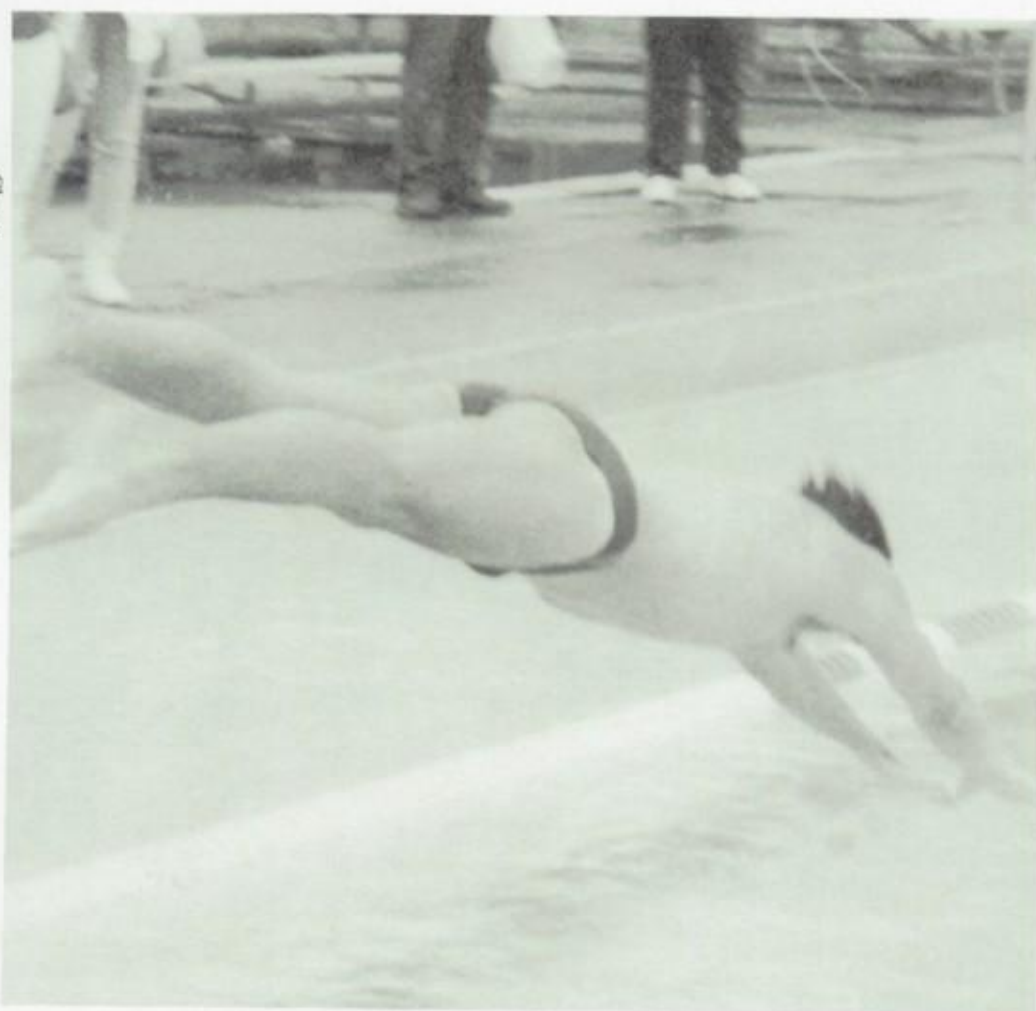

but they did make it close. Varsity swimmer, **Alfie Reyes**, says that **Coach Parks** is "tough but fair." The one word to describe this year's team is TALENTED.

The Stroke Of . . . Success

Mid-February would be considered wintertime for most people. For this group though, summer had just begun. The 1985-86 Gahr Girls' Varsity Swimming Team experienced early what most people don't face until June: jumping into a cold pool. The team began the year by taking on a whole new outlook and rigorous workouts, working especially hard to improve

strength, stroke, flexibility, and endurance. J.V. Swimming was a young and inexperienced team, but with the right coaching and good old hard work, they came out to be a well trained group of lady glads. Thanks to the great coaching of **Coach Fujimoto** and **Coach Parks** this group is well on their way to the top. Good luck next season!

Shooting for the Stars!!

Gahr's Rifle Team, although they are not a well known group deserve recognition. They had a very productive year. Gahr's Rifle Team was rated 10th in the state of California. **Steven Wykes**, a member of the Rifle Team was rated number one in the standing shooting category. **Tim Clark** and **Steven Wykes** are considered the best on the team. These well trained athletes are in a class by themselves. They had to train for many hours to become as good as they are now. They are best at what they do and we should compliment them on a job well done. Good luck in your future, guys!

Golf Team Swings Towards A Successful Season

The '85-'86 Golf Team, consisting of nine ambitious players, has gotten off to a slow start, but are expected to pick it up. Their coach of three years, **Pryor**, states that the reason this group started slowly was because of their inexperience.

The team consists of many newcomers, but these freshmen are planning to return again next year. These determined golfers didn't receive the publicity they deserved, but they have shown as much Gahr spirit and pride as the other athletic teams.

Seniors . . .

*There Is No
Substitute!*

September began with another typical school year, much like those of the past. But as Senior parking began to fill with upperclassmen, anxious to be distinguished as the **Senior class**, something broke loose. It was the **Spirit of '86!** There was a strange new feeling of pride to be the oldest and finally most experienced class on campus. Senior privilege took effect with such activities as Senior Century Day, Senior Madness, Ditch Day, the Prom, Candlerose, Grad Night, and of course, Graduation! It was exciting, stressful, and sometimes even scary to know that the end of this journey was near. Just as 20 years ago, the Seniors left, aware of their accomplishments and filled with memories to take with them.

. . . Goodbye

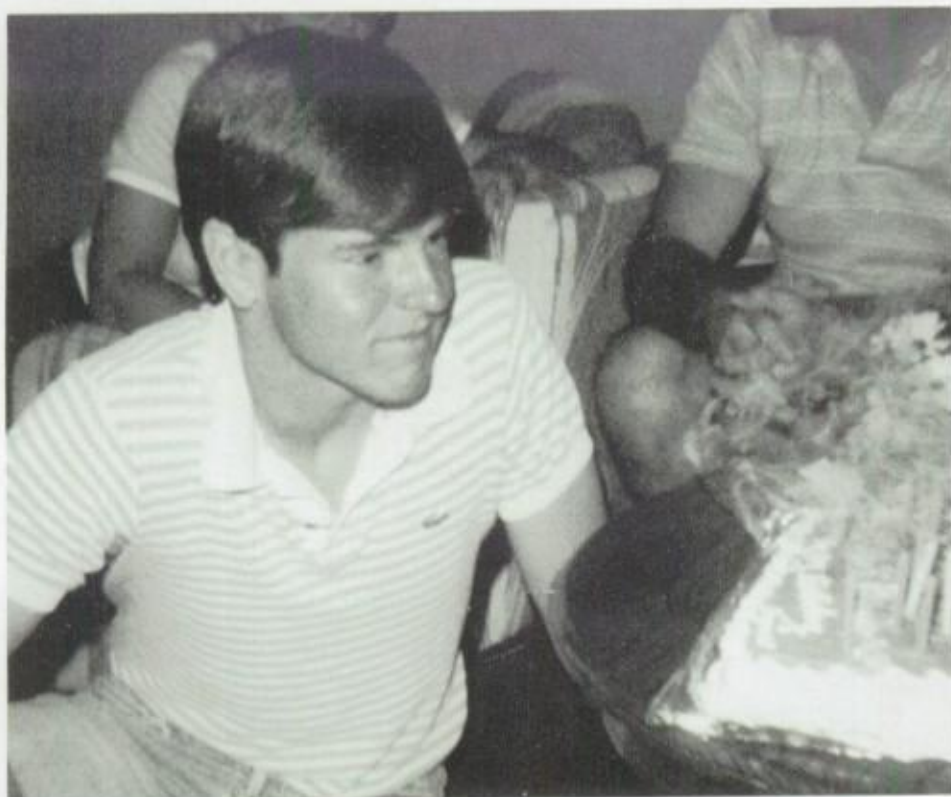

“He had it all . . . and more.”

Only yesterday we saw you smile;
Your spirit free, one of a child;
Your laugh, a song carried in the breeze;
Your heart, a bird soaring o’er the seas.

We shared your goals of which you dreamed,
Our time unending, or so it seemed,
And life was but a game to play;
One to be taken day by day.

Your memory is one from which we’ll never part
For it is etched within our hearts.
And your truth in life shall linger on,
Our beloved friend, we miss you Sean.

SENIOR SQUARE

There is no substitute for Senior Square! Many changes have been made to add a special touch to the Senior class' home away from home. With administrative clearance, the Senior Class set out to find a talented artist to make the old brick wall come alive. The large and very attractive mural was painted by two former students

of Gahr, **Josue Cervantes**, and **Peter Gomez**. The booming colors added a cheerful touch to not only Sr. square but also everything around it. The Sr. Cabinet, with clippers and rakes in hand, began planting flowers, clipping bushes and mowing grass to give Sr. square a clean and well kept look. Senior Pride!

Senior t-shirts and Blue and Gold clothes were worn by almost every Senior on these special pep-rally days. The Senior class of '86 could definitely be called the "Spirit of '86".

Knocking 'Em Dead!

Approximately 50 seniors gathered every Wednesday from October until January to test and practice their skills in the sport of bowling. The action took place at Cerritos Lanes where, at the end of the 16 week league, 1st through 3rd place trophies were given to the

top 3 teams. Tournaments were offered through the alley and students participated enthusiastically. Many found the Senior Bowling League to be a relaxing yet competitive way to spend time enjoying the company of fellow students while being a part of something rewarding.

Getting Down to Business

The importance of senior classes was stressed as upperclassmen prepared for the world beyond high school. During the course of the year, lectures were listened to, homework was done, and tests were taken. Seniors took their last final exams and

realized that future education would not be the same. These essential classes have provided seniors with the knowledge and understanding that will be necessary for growth and success forthcoming.

Seniors: On Their Way to Success

The normal hustle and bustle of senior activities was amplified by the addition of future plans that needed to be dealt with. Many seniors were faced with difficult and serious decisions to make about college.

SAT tests were struggled over as the deadlines for applications grew near. Students attended Senior Preview Days held at various campuses to help

determine which ones would be suitable for application. The ABC Unified School District sponsored College Night in October to provide seniors with the opportunity to talk with staff members and pick up miscellaneous brochures from a wide scope of universities.

Up until the end of November, senior students were kept busy

filling out many applications and completing requirements that needed to be met prior to acceptance. It was a hectic time, but once the majority of the important details were taken care of, the class of '86 could sit back, with fingers crossed, and wait with anticipation for the results of their hard work to pay off.

You were saying . . .?

Typical Freshmen of '66 await the bell to go to class.

Underclass . . .

The Time Has Come

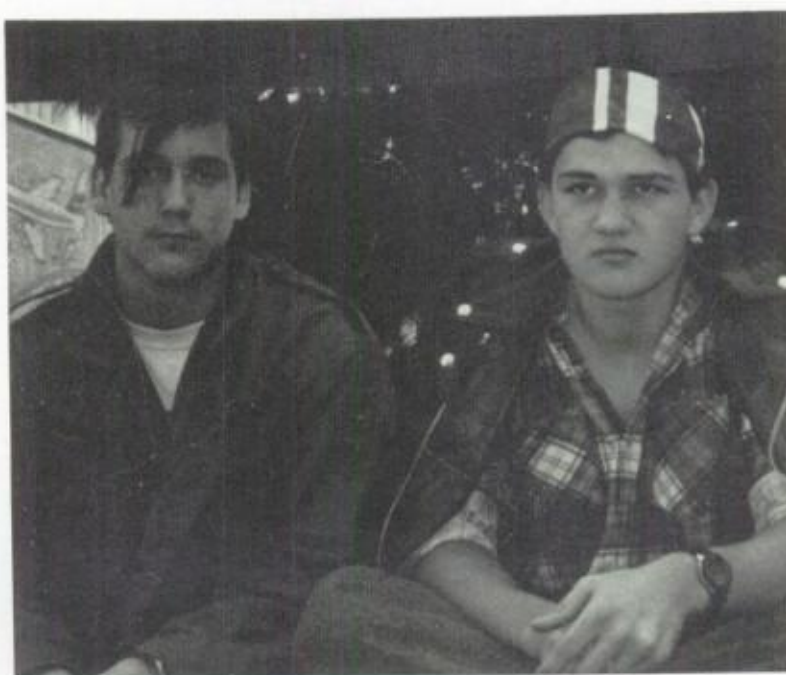

Freshmen entered it's gates for the first time, completely awed by the vastness of the campus and the swarms of older students who seemed to have the routine wired. Even after learning how to cope with the stress of the new environment, it was still awkward to have to wait, alone, after school for a ride home. As Sophomores, as learner's permits and driver's licenses were anxiously awaited. Many new obstacles were always arising, but it was a comfort to see younger Freshmen still getting lost. The Junior year was even better . . . only one more left to conquer. Driving made it easier to escape after school and become involved with many more activities. Unlike the Seniors, it was unnecessary to worry about graduation preparations just around the corner. Instead, the prom was the big event to look forward to. The first student body of Gahr High, in the years 1965/66, evolved in much the same way. Instead of Volkswagen Bugs and the latest fashion trends, there were '57 Chevy's and bell-bottomed jeans. Although times have changed, the ideas and goals of the students have remained strongly the same to shape the history of our school.

Most people attend Gahr for only four years, but there are a special, dedicated few who have spent many of the last twenty years caring for students and seeing that they achieve a well-rounded education. These people that spend so much time getting involved with the students are our faculty.

Whether they've served Gahr for twenty years or two, they have aided its development into the well known and respected school it has become. It has come a long way within its first twenty years.

With the support of the faculty, may it continue to gain honorable recognition for at least twenty more.

Science Rooms Under Construction

Many structural changes were made at Gahr High this year. The construction of the new science rooms was, perhaps, the most dramatic. Destruction of the old rooms began in the summer, raising the question of where to place the science students who had no where to go. It was decided that temporary walls would be put up in the cafeteria to form temporary classrooms. Reorganizing did not create any major problems, but sacrifices had to be made in order to improve our school. When the construction was completed everyone agreed that it was well worth the sacrifice.

ADMINISTRATION

A strong team of workers is essential in the smooth running of a high school. This year's administration have been top notch.

Mrs. Mara Clisby returned to Gahr this year to fill the position of Principal. She's gone to extreme means to unite the administrative group with the student body to strengthen the foundation of G.H.S. Mr. Mascorro, also new to the staff, has joined with Mrs. Callard and Mr. Conley as the third assistant Principal.

Throughout the year the faculty and staff have been given many opportunities to apply their teaching effectiveness and interpersonal skills in relating with their students.

The administration is definitely dedicated in every sense of the word to Gahr High and it's students.

Our own Fairy-Godmother.

Teachers Are Friends Too

The faculty and teachers at Gahr High School have worked well beyond their call of duty. Many of them have put in extra hours beyond what is required of them to make student life more satisfying. They've been there to help with classwork, student activities, and even personal problems.

We, as students, should always remember the specialty of such teachers who have enriched our high school years. Their support should never be forgotten, as they encouraged us to excel and continue learning in all that we did.

So, we thank all the teachers at Gahr High School. We're proud of you.

Speech team prepares for state competition

By Anna Chen

Members of the Speech Team met with speakers from all over the state on January 11 and 12 at Cal State Fullerton's Annual Invitational Speech Tournament. This competition allowed speakers to get previews of other speeches before upcoming state competition.

Coach Debi Silber admits that Fullerton is "the team loss of the year. We didn't place at all," she explains. "We're usually more prepared than they (other coaches) think, but this time we weren't prepared enough." Presently, Coach Silber and the team are using their experience as a preview for state competition on May 2-4.

and Junior Annabeth Bennett qualified for state competition in December, 1984 when they both placed first in their categories at the Fall Varsity Tournament at Mission High School. Cude qualified with his Hi (Humorous) Interpretation of Neil Simon's "Fool for Love." Bennett placed first in the "Fool for Love" category.

He thinks "it's an honor" and "it'll be tough, but I'll be ready for it." Bennett refers to Alhambra as "the ultimate experience." She will be doing her state qualifying OOP (Original Prose/Poetry) "Star Search," a parody of T.V.'s "Star Search." Other speakers may be joining Cude and Bennett if they can make up first place finishes in the February and March state qualifiers.

County and Beverly Hills to be the ones to beat at Alhambra. She does have, though, confidence in her speakers. "We do well in Hi because we gear the humor towards the judges. Most speakers pick material that their peers would laugh at. We've also done well in OOP. Very few coaches let their kids write what they want." She also adds, "Dramatic Interpretation and Persuasion are the most competitive and the most difficult to do, but we're picking up in these areas."

The Speech Team has been working hard towards state competition and "have done better than ever before." With at least two speakers on their way to Alhambra for state competition, Coach Silber anticipates a "shockingly states."

Members of this year's speech team are (back row) Annabeth Bennett, Kwek, Pam Bell, Troy Davis, Annabeth Bennett, and Christine Rodriguez. (front row) Laura Bolduc, Jill Henry, and Karen Peeryre.

New square

By Donna Miazzi

By successfully going through a strenuous and competitive try-out, 30 members of the 1985-86 Pep Squad were finally chosen. Advised by Miss Graham, the new squad will most undoubtedly bring a new wave of school spirit throughout the campus.

In order to become a member of the new Pep Squad, certain qualifications had to be met. Everyone had to learn a dance and yell routine that was taught by the graduating seniors of the Pep Squad. They also had to be able to build a mounted pyramid of three people. They had to obtain a C average, have no F's, and show Satisfactory behavior in all classes.

WASH

20 years ago it was the Girl's League, Future Teachers of America, the Thespians, Madrigals, the Cadets, CSF, FBLA, the Band, and Annual Staff. This year, many of the clubs remain the same but many, many more have also evolved or been formed since those first primary groups. The 1980's have brought about new ideas and choices in clubs that range from ethnic diversities to community services to general interests. Each club involves an elite group of people that is willing to spend time with others of similar intellect, and get involved with activities of related character. New clubs, such as the Pacific Islanders, Computer Chess Club, and Octagon Club offer a wide field of new opportunities and possibilities to interested students. These clubs, along with the more traditional ones as well, will continue to enhance the development of the ever-changing student body.

Do club meetings ever change?

Performing Arts

Dance Up a Storm!

The Performing Art Class was founded by **Miss Tsuruta** three years ago. She wanted a place where students could share their talents with the other students and people. They provide much entertainment with their singing and dancing. They have sponsored a Christmas show, gone to Faye Ross Jr. High School to perform in front of a live audience, and held a spring show which was a big and exciting success. The Performing Arts students provide much school spirit and hopefully will for many years to come.

CSF promotes "brainwork"

Boasting over 100 members, CSF (California Scholarship Federation) is Gahr's largest club. In order to be a member, students must have at least three A's and a B in academic classes each semester. This year, CSF had many fund-raisers for the scholarship. The scholarship will be given to one outstanding senior. Under the supervision of dedicated advisors **Mrs. Lau, Mrs. Tanaka and Mrs. Ware**, CSF broadened the range of its activities. The officers (President **Anna Chan**, Vice-President **Anna Chan**, Vice-President **Olaf Kilthau**, Secretary **Anh Ngo**, Treasurer **David Hirota** and Historian **Warren Lau**) got CSF involved in the community. CSF took part in the Special Olympics, raised money for the needy and also helped the Red Cross. They also had fun by visiting many places.

Year Round Club Formed At Gahr

For the first time ever, the Octagon Club has been formed on the Gahr campus. Mr. Joint and Mr. Renaker founded, and now advise this club. Unlike all other club-type organizations on campus, the Octagon Club will continue throughout the summer and into next year.

The main purpose of this club is to aid in community functions. They are primarily an organization formed to help others. Clubs like this are greatly needed, hopefully to grow in the future and be a big help to the Gahr campus and its' surrounding community.

Some of their activities included a candy sale, and a tournament against the Spanish Club. To end the year, the French Club held its' annual banquet at a marvelous French restaurant. Members had a chance to sample some savory escargot (snails) and those delectable French desserts.

Chinese students Unite through club

The Chinese Club is in its' third year of existence at Gahr. The group has grown tremendously these past few years. Under the supervision of **Ms. Dragonetti**, the organization has been able to participate in many activities on campus. The Chinese Club has offered the opportunity for many students of the Chinese descent to meet and form lasting friendships.

They participated in the Carnival in February and brought in much money for the club. They sponsored a food booth selling features such as fried rice and barbeque pork. They also made a big splash selling snow cones in a dish.

A Great Year For The Korean Club!!

The Korean Club has had a very successful year. This year's club has had the greatest level of enrollment than it's had in its' three years of existence. The President of the Keorean Club was Peter Kim, who did a very fine job of running the meetings and getting everything organized. The other officers are Monica Kim as Vice President, Johnny Chung as the Director of Publicity, Joseph Ahn as the Treasurer. They all did a fantastic job. The club was active doing many things throughout the year. They had a get-together at the beginning of the year to introduce the new members in the club. They sponsored a food booth at the carnival, and organized a picnic with Whitney, Cerritos, and Artesia high school's Korean Clubs. They also arranged a volleyball tournament with these other schools which was held at Heritage Park. All in all the Korean Club has had a fun and fulfilling year!!

"Teamwork . . ." that one, simple word soon took on great meaning and importance to the Forum Newspaper Staff. The group, a variation of many different personalities, ages and nationalities, learned to group themselves together and work as a team.

Producing a monthly school newspaper is no easy task. Many after school hours were put in and extra thought was required. The Staff, through the good times and bad grew closer together as a group, and friendships were strengthened and formed. Deadlines and due dates often created friction within the 4 walls of the journalism room. Tension was a product of the News Staff, but always there was the rewarding feeling of accomplishment with a job well done. The Staff, besides working to put out the paper, also engaged itself in other activities. They had a huge money-making carnation sale at Christmas and also sold Halloween Treat Bags at Halloween. They participated in the carnival, sponsoring the Life Buoy booth. This was a big success and brought in much money for the Forum Staff.

On March 1, seven members of the Staff ventured to Diamond Bar to participate in a National Journalism Write-off Contest. The day was fun-filled and proved to be a rewarding experience for all participants. The reporters, editors and advisor of this hard working staff all put forth the effort required to produce a good newspaper for the student body. The '85-'86 Staff was a spirited group of hard-working individuals!

It was the best of times . . .

A gallon of frustration to a dab of laughter . . . a touch of peacefulness rearranged into chaos . . . Blank film turning smiles into blank looks . . . Battle of the headlines creating war from peace . . . "I'm so stressed out!": a phrase often heard within the dimension of . . . the Annual Staff.

Many entered room 502 for the first time, not realizing what sincere dedication and compromise was going to be asked of them during the following nine months. It was a time of trials, of cooperative learning, of responsibility, and of togetherness. Each member arrived with his own idea of how things should be. In order to meet the requirements of a productive staff, it was necessary to compile these ideas into one primary goal that everyone was willing to reach. It was tough, and many times demanded compromise and/or sacrifice. The incredible patience yet firm encouragement of Ms. Woerner, our head honcho, pushed us to struggle harder and faster than ever thought possible. Somehow, after long hours of after-school work, the deadline was met. The annual staff, relieved, had once again proven its 20 years of excellence.

The Spanish Club held many activities over the year, some included the Tasting Party, the Volleyball match against the French Club, and the Carnival. The club also sponsored many fundraisers such as the candy sales, and the calendar and poster sale.

Mr. Perkins and **Ms. Jones** put in many hours to make the club fun and exciting. All the officers, **Jason Yamamoto**, **Tina Kobayashi**, **Peter Hahn**, **Annissa Alston** and **Tracy Wong** worked hard and with much effort. FBLA, a club formulated at Gahr many years ago, is still "alive and kicking." They engaged the many activities to enrich the uniqueness of the club. FBLA, meaning future Business Leaders of America, is another working force that lends to the making of the student body.

One of their fundraisers was a candy apple sale. It was a time to remember! They sold yummy carmel and delicious candy apples by the hundreds. This sale served to promote FBLA funds and club activities. Also the money raised was used for scholarships. All the FBLA members enjoyed working for such a worthy cause.

Speech Team: Live at G.H.S.

The Speech Team is a group of individuals who have that special talent & flair for public speaking. They work hard preparing speeches that make people laugh & cry, happy & sad. Few possess the ability to trigger peoples emotions but the Speech Team at Gahr has proved to be quite successful in this area.

Competitions are what they most look forward to. Many hours are spent in practice. First the specific speech needs to be chosen or written, then much time is required to practice and perfect it. Their aim was to place high in competition so they could go to State Finals.

The members of the Speech Team, under the expertise guidance of their coach, **Debi Silber**, add a great deal of school spirit and pride to Richard Gahr High.

Special Friends

At times when elementary students need guidance, a selected few have offered to give up 2 hours a week, to spend with elementary students. Special Friends is not a club but a group of volunteers. Because Special Friends is not a club, there are no officers. For the last 6 years, Special Friends have been acting as Big brothers and sisters to many elementary students. While the members of Special Friends were helping the elementary students to gain a better self-image, the members were also learning from the priceless experiences. At their meetings, which occurs bi-monthly, they talk about their experiences in a calm, casual manner.

Headed by **Mr. Teach** this twelve member organization has sponsored the Christmas party and potluck lunch. They also sponsored the end of the year trip. We wish that Special Friends exist at Gahr for many years to come.

Good Luck!!!

Member:

Yvette Charbonnett, Laura Kelly, Brigitte Rowe, Allen DeLeon, Kim Goodrum, Missy Donahue, Gem Harding, Charina Papa, and Mr. Teach.

Charina Papa, club member, caught in action.

Mr. Teach, the advisor, shows off his smile.

Another year has slipped away;
oh how we wish we could hold on,
but it's just out of reach.
Life come with changes and
without these we can't grow.
It doesn't matter what kind of
changes or how many;
We will always have a special place
which must never be forgotten.
A place full of special people who
share special feelings.
And each day that we long to go
back,
All we have to do is close our eyes
and see . . .
yesterday once more.

I want you to know you are very special, because like you said before. "We're each other's shadows" and that makes you a very big part of my life. The rest is easy. Now that we have graduated, we have college ahead of us. Thank you for all the dances that you took me to. Each one was very special to me. TO OUR AMY LYNN,

CLASS OF 1986

As you look at “Yesterday Once More,” the many faded moments will begin to focus and live again as treasured memories in your minds. One remembrance we ask that never vanishes is the pride we had in being your class advisors. From orientation to graduation you demonstrated courage, unity, care and good leadership. We thank you for your faith in your class officers, in each other, and in us. Because you believed — we did. As a class of innovators, our theme “New Beginnings,” was appropriate. Though it is difficult to list the many “firsts,” the creative ideas, and the numerous successes we achieved, it is not difficult to see the effects of those successes. But of course, the future is another “New Beginning” and it too, like our past, must flourish. We must set high limits so that our lives continue to be enriched through new experiences, through others, and through ourselves. With diplomas in hand, you commence on separate goals knowing we are all linked to a strong beginning.

In parting, “grieve not, but rather find strength in what remains . . . ”(Wordsworth). What remains is a good foundation for a wonderful life. Again, thank you and good luck.

You've been there through thick and thin. During the darkest hours of Calculus to the best times up in the mountains. We've had our problems, but we wouldn't be human if we didn't. We've been friends, we are friends, WE'LL STAY FRIENDS!!

It was fun having you in

a crazy 2nd semester! Take it
easy this summer! No wild
